- Though we endeavour to offer a safe camp experience to those with allergies, we are **not** a nut free facility. Nut products **are not** served from our kitchen or sold in Horton's Hut. Shareable snack items (Timbits, etc) are also NOT permitted to be brought to share with your child(ren)s cohort.

- Thursday's of each week are dress-up days! Send your child(ren) dressed up in accordance with their weeks' theme!

HORTON'S HUT

Campers may purchase up to three items per day at our tuck shop (Horton's Hut). All snack items sold are under \$3.00 and consist of candy, chocolate, chips, ice-cream, drinks, etc. Camp merchandise such as hoodies, t-shirts, toques (and more!) are also available for purchase. Our tuck shop runs on a pre-purchased credit plan purchased by the parent, as no camper is permitted to carry cash with them during camp as it may get lost or stolen.

OTHER INFORMATION

Due to the concern of transmitting communicable diseases or parasites, we are asking parents that if your child is ill with fever, vomiting, diarrhea or has a parasite such as lice, that they not attend camp until they have been symptom-free for 48 hours. If your child develops any of these symptoms while at camp, they will be sent home until they are parasite-free. If your child is unable to attend due to illness, we will make all possible efforts to move your child to a different week. It is our goal to provide a positive experience for all our campers. We believe a part of this is creating a safe environment physically, emotionally, and spiritually. This means Camp Chestermere has behavioural expectations for campers and staff that allow us to function as a camp community. We are focused on building relationships, and that starts with a conversation. We will work with each camper to see them have a successful week. If campers are refusing to listen, we may phone home to ask for advice or to come to pick the camper up.

AND REMEMBER...

An updated copy of the packing list/schedule will be sent out within one week of the start date of your selected camp. Ensure to review that copy as it will have information specific to your child(ren)s cohort assignment, drop-off/pick-up location, and more.
